## THE FOURTH SUNDAY OF LENT

## MARCH 31, 2019

## Reflection

How's everyone's Lent going? Believe it or not, a few days ago, we passed the halfway mark. For many of us, passing the halfway point is really great news. Either because we've been doing pretty well during this Lenten season of deeper prayer, fasting, and giving to the poor; or we haven't been doing so well. One way or another, we need a break and this Fourth Sunday of Lent is made to give us a great break. At times during our 2000+ years as a church, the penances given for certain sins could be, at times, really long and hard, so by the time the 4<sup>th</sup> Sunday of Lent came around, people who had been doing these long drawn out penances were really tired and needed a break. The church would give them a break and gives us a little break today.

This Sunday is traditionally called Laetare Sunday because we can see the light at the end of this Lenten tunnel and therefore, we rejoice! What Laetare means is REJOICE! On this day, we are told we can ease up on our Lenten promises; just for today. This is because the great celebration of the Suffering, Death, and Resurrection of Jesus, Easter Sunday, is in three weeks. Next week is the Fifth Sunday of Lent, followed by Palm Sunday and the week after, Easter.

To get there, the Church gives us example after example of the great love God has for us. In our second reading today, Paul tells us the old order of things have gone away. With Jesus, we experience a new way of love and because it's so boundless and beyond explaining, we have to live it and share God's love. We do this because God loves us first. We hear it proclaimed in a new way today; the Gospel that has always been called the Gospel of the Prodigal Son should be called the Gospel of the tender loving Father.

We've heard this story all through our lives. I'd like to point out a couple of things we probably overlook every time we hear this story. First, the son who decides to come back because he's starving to death already knows in his heart that his father will forgive him. Why? Because he has experienced the father's love before or at least seen it. Like you and me, seeing and experiencing God's gentle forgiveness, like we've never been apart.

The second thing I miss, maybe you do to, is how tender the Father's love is for both his sons. Before the son can get out his rehearsed message, the Father runs out to greet his son, throws his arms around his son's neck, and commands his servants slaughter the fattened lamb and get ready for a massive celebration. His son was lost and is now found; he was dead and now is alive.

We have a great opportunity to experience the Father's love for us again, or for the first time. On April 1, we will have our parish Reconciliation Service which means there will be a lot of priests in this Church to hear our confessions. No matter how deep the sin is, we will experience the great and tender love the Father has for us. Come and see!

May you experience the Father's love during this Lenten Season,  
Deacon Mike

Please consider becoming a Eucharistic Minister to the Sick. We provide excellent training, mentoring, and a loving community of people. We are dedicated to bringing communion to the sick as well as the bright light of our faith experience to those who cannot attend regular church services. There are about twenty-five homebound friends we visit weekly. Is there any greater thing we can do for others than reflect the glorious light of Jesus?

If you are interested in joining us, please contact **Robert Lanphar**:  
**714-809-8753** or [Lilbob47@gmail.com](mailto:Lilbob47@gmail.com).

## Our Church Doors need Help

As many of you know, we are in dire need of new church doors.

Here's why:

- ◆ The doors are too heavy for many of our parishioners to open.
- ◆ The doors are a safety issue for parishioners with mobility issues .
- ◆ The doors are hard to lock at night so they are a security issue.
- ◆ We often have to call in the locksmith to work on our doors.
- ◆ The hydraulics often break down because of the weight of the doors.
- ◆ Some of our doors now have “barn door locks so we can secure the church.

It is our hope that with your generosity we can install lighter and easy to open new doors. We are also looking into installing automatic doors at some of the entrances for those with mobility issues.

## IT'S PSA TIME!

We have had a great kick off to our Pastoral Services drive! Thank you to the 106 families who have already donated! Through the Pastoral Services Appeal we are supporting the mission of the Diocese of Orange as well as our own Parish goals. PSA provides an opportunity for us to join together as one, Diocese of Orange, church family in our support of many diverse ministries like; Catholic Education, Clergy Formation and Support, Outreach ministries to the poor and needy, and Parish and Diocesan Development. These ministries and services benefit our own parish as well as parishes and people all over Orange County.

Our Parish goal for the diocese is \$106,000, but we are hoping to reach \$200,000. This year we have chosen to focus on replacing our church doors. Unfortunately, our doors are in such disrepair they've become a safety and security risk. Please prayerfully consider how you can support this important appeal.

## School Family Mass
