May 10, 2020

We all miss you very much and hope you're staying healthy and staying in prayer. Life is still very busy around here; I want to take this opportunity to update and share some of God's Good News with you.

Mother's Day Drive-Thru Blessing

Looking for something special to do TODAY? Please come to our Mother's Day Drive-Thru to receive a special blessing and gift from 10am to noon in the church parking lot. All the clergy will be there and hope you will as well. Also, please mark your calendars for Adoration of the Blessed Sacrament and Benediction on May 23 at 6:30 pm in the Church parking lot as well as a drive thru blessing on May 31 from 10 am to noon for the Feast of Pentecost.

Divine Mercy Sunday

A big Thanks to Nilo and Phyllis for praying the Divine Mercy Chaplet on Divine Mercy Sunday. Please go to our website and consider praying the Chaplet. The Chaplet can be found under "Masses and Reflections".

Fr. Dan's health

As you may have heard Fr Dan contracted the Covid virus early in the Stay At Home Order. He had a mild case, no fever, just a bad cough. Fortunately, he was already self isolating at the time and didn't expose anyone here at St Angela's. This past week I talked to Fr Dan, he sounded very positive and is expected to make a full recovery. You can mail him a card at P.O. Box 2224, Glendora, CA 91740.

Live Streaming

I was very excited to hear we had well over 1,300 people view our on-line Easter Services! Sunday Masses can be seen live Sunday mornings at 8:30 (English) and 10:00 (Spanish) via livestream from our empty church on our website (stangelabreachurch.org/mass), on YouTube ([youtube.com/c/StAngelaMericiCatholicChurch](https://www.youtube.com/c/StAngelaMericiCatholicChurch)), or on FaceBook (facebook.com/stangelabreachurch). You can also go to our website to view Sunday Masses, homilies, bulletins, current updates, and much more.

On-line donations

Before Covid our on-line donations were about \$3,000.00 a week. While our total contributions are still very low, the number of people using our on-line system has more than doubled. If you're not using our on-line donation services, I encourage you to please consider on-line giving. It is an easy, safe, and convenient way to continue to support our parish. Just go to our web site at stangelabreachurch.org. If you donate using the parish envelopes or checks, please send your donation in the mail. Your generosity is always appreciated.

Project status

Two of the projects we paid for in 2018 and 2019 from our PSA and Fund a Need campaigns are being completed. Our beautifully refurbished church doors are slowly being installed. Thanks Ron. We also installed some of the remaining sound and video system equipment which has enabled us to do live streaming. Thanks Jason and Jim.

God is good all the time and all the time God is good.
May God continue to richly bless you and your family,

Fr. Dave

FIFTH SUNDAY OF EASTER

Throughout the Easter season, we hear the story of the earliest Christian communities in readings from the Acts of the Apostles. We hear how the people grappled with what it meant to place their faith and trust in the Lord, understanding that doing so called them to live differently—to follow Jesus' way of love. This is more than a history lesson for us. As we hear how the people were drawn to Christ and learned to follow Jesus, we are invited to ask ourselves how fully we are taking the gospel to heart. Is Jesus our way, truth, and life? Do our daily actions announce the praises of the Lord?

CHANGE OF MIND AND HEART FROM NOW ON

During Lent, we participated in penitential practices and focused on prayer, fasting, and almsgiving in order to turn our lives more fully to the Lord. However, the fruit of our Lenten practices is not supposed to end on Good Friday or Easter Sunday. Lent is our annual time to embrace spiritual renewal, which is intended to last. The change of mind and heart that we embraced in the weeks preceding Easter are to be our spiritual foundation, shaping our lives now and into the future. Pause for a moment and ask yourself what difference Lent made for you this year. If you can point to some particular change of mind, heart, or behavior, promise yourself that you will continue to live in this new way in the months and years to come. If Lent did not have a special impact on your life this year, now is the time to invite the Lord to show you the way to more meaningful and faith-filled living in the future.

DON'T BE AFRAID. DO THE WORKS OF CHRIST

In the Gospel passage we heard today, Jesus was preparing the apostles for a time when he would not be with them physically. Jesus wanted to reassure the apostles, even though he knew they were having a difficult time understanding. We sometimes struggle to grasp the Lord's ways, too. We know that God is with us in Christ through the Holy Spirit, and yet, when we really have to act in accord with our faith, we sometimes falter. Jesus tells us to not be afraid. Have faith in Christ and do his works. We may be surprised at what we are able to do when we trust and follow Jesus' way. And we are assured that God will be with us through it all.

HUMAN INTEREST LUKE RIVERA

Luke Rivera, a member of the Youth Ministry, a senior at Bishop Amat High School, and alumnus from St. Angela School, is proud to announce he has been selected to be a NET missionary in the upcoming year. NET Ministries is a National Evangelization Team made up of over 175 Catholic young adults who give nine months of their life traveling across the United States sharing the gospel with young people and their families. They do this through leading retreats for middle and high school students. Since 1981, NET teams have led over 34,000 retreats and ministered to more than 2.1 million young Catholics, including our own middle school students. This is where Luke first found his inspiration to join. He plans to attend the University of Portland (Catholic University) or APU when he returns. Please pray for him and all missionaries.

Each NET USA missionary is asked to raise \$7,000 in ministry partnership to help cover the cost of training, transportation, etc. If you are interested in helping, please go to net.usa.org/donate and put in Luke Rivera's name. Thank You!

Our Catholic faith communities are thriving on your support and generosity.

Your financial donations allow us to care for the poor and marginalized, serve our communities and support the preaching of the Gospel message of Jesus Christ to the faithful. Especially in the times in which we find ourselves, where the Lord is calling us to respond with generous hearts and even extraordinary ways!

Holding ourselves to the highest standards of stewardship responsibility and recognizing our blessings as coming from the providence of God, we manage our precious resources with diligence and accountability.

Please know that the Diocese of Orange is most grateful for any donation, no matter the amount, and know that it will go directly to the parish or center as specified by the donor. Connect to your parish today: SupportYourParishOC.org

CORONAVIRUS: KNOW HOW IT SPREADS

There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19). **The best way to prevent illness is to avoid being exposed to this virus.** The virus is thought to spread mainly from person-to-person. Between people who are in close contact with one another (within about 6 feet). Through respiratory droplets produced when an infected person coughs, sneezes or talks. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Some recent studies have suggested that COVID-19 may be spread by people who are not showing symptoms.

Clean your hands often

Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.

- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact
- Avoid close contact with people who are sick
- Stay home as much as possible
- Put distance between yourself and other people.
- Remember that some people without symptoms may be able to spread virus.

Keeping distance from others is especially important for people who are at higher risk of getting very sick.

Cover your mouth and nose with a cloth face cover when around others

- You could spread COVID-19 to others even if you do not feel sick.
- Everyone should wear a cloth face cover when they have to go out in public, for example to the grocery store or to pick up other necessities.
- Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.
- The cloth face cover is meant to protect other people in case you are infected.
- Do NOT use a facemask meant for a healthcare worker.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

Cover coughs and sneezes

- If you are in a private setting and do not have on your cloth face covering, remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

Clean and disinfect

- Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection. Then, use a household disinfectant. Most common disinfectants will work.
