PARISH UPDATE

Dear friends,

The Church is currently open for Sunday Mass and the Hall for weekday Mass at the usual times. Please remember you are not required to attend Mass; Bishop Vann has granted dispensation from the obligation to attend Sunday Mass until further notice. If you choose to attend, our Mass times will be the same as before. Per the Governor there is a limit of 100 people in the Church and 100 in the hall if it is used. Holy Communion will be given in the hand; as the Bishop has strongly discouraged reception of Communion on the tongue to avoid the potential spread of the Covid Virus. Before receiving Communion, please sanitize your hands, then receive the Host in your hand and step six feet aside before lifting your mask to consume the consecrated Host. Holy Communion must be consumed immediately after receiving.

Drive up Communion

If you are over the age of 65, or sick, someone in your home is sick, you have a pre-existing health condition, or you're concerned about your health; you're encouraged to view the weekend Mass and then drive to St. Angela's to receive Holy Communion. We will continue to live stream the mass until further notice. The Sunday 7:45am masses will usually be live streamed. Pull into the parking lot entrance closest to the school office off Walnut. An attendant will direct you where to park and when to get out of your vehicle to receive Communion. The Communion station will be in the parking lot lunch table area. Please wear a mask and sanitize your hands before receiving. Holy Communion for drive-ups will be available after each regularly scheduled Sunday Mass has ended from 6-6:15pm Saturday, 8:45-9, 10:30-10:45, 12:15-1pm, 1:45-2pm and 6:00-6:15 Sunday. Please exit the parking lot onto Fir and not Walnut.

Mass in the Church

If you choose to attend Mass in the church, we ask you to do the following:

1. Each person entering the Church must have an Attendance Card. These cards will be issued from a table outside the Church near Walnut 20 minutes prior to the beginning of each Mass. No cards will be issued for future Masses and there can be no saving of Attendance Cards.
2. The Attendance Cards will be issued on a first come, first serve basis. Each person wanting to attend Mass must be in line to receive the card and then hand the card to the usher at the entrance to the Walnut St. side of the church. There will be only one entrance to the church and hall, the main doors in the back of the church near Walnut and the main hall doors off the plaza. Additional entrance and exiting guidance will be provided. No other doors can be used to enter the church or hall.
3. Please follow the direction of the Ushers. Upon entering the church, another Usher will guide you to the appropriate area. The pews to either side of the main aisle will mostly be used for families of 3 or more. The side pews will be mostly used for couples and singles.
4. Ushers will guide you to receive Communion row by row. Please wait for the usher to direct you. Once you have received Holy Communion please return to your pew, keeping 6' safe distancing.
5. If you have any questions, please see a staff member or usher wearing an orange vest and they will gladly assist you. After Mass has concluded, please go directly to your vehicle, social gathering before or after Mass should be avoided. Please remember the importance of safe distancing and wearing your mask at all times. Your hands should be sanitized on the way into Mass and as you leave.
6. Per the recommendation of the Diocese please avoid singing to reduce the potential spread of the corona virus. If you do sing please do so in a soft voice as a precautionary measure.

If you have any questions, please see a staff member or usher wearing an orange vest and they will gladly assist you. After Mass has concluded, please wait for an usher to dismiss your row, and then go directly to your vehicle. Social gathering before or after Mass should be avoided. Please remember the importance of safe distancing and wearing your mask at all times. Your hands should be sanitized on the way into Mass and as you leave.

SUNDAY REFLECTION

Who is Jesus?

I invite you to think back with me to the Crucifixion. During those three hours that Jesus spent on the cross, during his great passion, present were our Blessed Mother, Mary Magdalen, John, and a few others. They couldn't have felt more helpless. They probably felt, how can things get any worse? Jesus was killed in front of their eyes, the earth quaked, the skies turned dark and the one they loved most was gone.

The same thing can be said today. In California 6000+ new cases of the Covid virus was reported on Monday, many are watching their loved ones die alone. So many are out of work and without benefits. We cannot touch our loved ones or be in company of large crowds. People are divided and hate is being captured on T.V. How could things get any worse?

In our first reading, the Shunemite woman, provides hospitality to Elisha and recognizes him as a holy man of God. This woman and her husband have riches and influence, but for her, things were getting bad. You see, she had no son and her husband was an older man and they couldn't conceive. If the man died, she would lose everything because she didn't have a son who would take care of her. But because of her special hospitality to Elisha, he promised on his next visit, she would have a son. And that's what happens, she does conceive and bore a son. Her worries were taken care of because of her generosity and hospitality.

In this powerful Gospel, the call that we receive from Jesus to love him stops us in our tracks. It causes us to say, 'wait a minute Lord, are you telling me that I can't love my mom and dad, that I can't love my wife Rachel and my kids with all my heart? What are you saying when you tell me I cannot love them more than you?'

Jesus is inviting us to enter into a love relationship with the Father, Jesus and the Holy Spirit that is different; our love must be orientated towards others. Jesus doesn't negate our love for our family but supersedes it. It's a love that is based on the Holy Trinity. Every time we make the Sign of the Cross, we celebrate this love; we are blessed. This relationship begins with baptism. In the Second Reading, Paul says, 'are you not aware that we who were baptized into Christ Jesus were baptized into his death? We were buried with Christ so that just as Christ was raised from the dead by the glory of the Father, we too might live in newness of life.' This newness of life allows us, by the power of the Holy Spirit, to love others with a deep love, with Christ's love. This mission of living in a newness of life enables us the vision, to see the sacredness of others just as the Shunemite woman saw holiness in Elisha. Jesus tell us that 'whoever receives you receives me and whoever receives me receives the one who sent me.'

Christ Jesus calls us to receive others as if they are Jesus himself. Everyone we encounter, no matter who they are or what they do, no matter their skin color, accent or language they speak, is Christ Jesus and we must treat them as Christ Jesus. Who is Jesus? He is the person who is down and out, the oppressed, the immigrant, those who are unemployed, hungry and forgotten, he is all of us.

May we live this newness of life as if our life depends on it. May God bless you all, especially during this serious time.

Deacon Mike

CORONAVIRUS: KNOW HOW IT SPREADS

There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19). **The best way to prevent illness is to avoid being exposed to this virus.** The virus is thought to spread mainly from person-to-person. Between people who are in close contact with one another (within about 6 feet). Through respiratory droplets produced when an infected person coughs, sneezes or talks. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Some recent studies have suggested that COVID-19 may be spread by people who are not showing symptoms.

Clean your hands often

Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.

- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact
- Avoid close contact with people who are sick
- Stay home as much as possible
- Put distance between yourself and other people.
- Remember that some people without symptoms may be able to spread virus.

Keeping distance from others is especially important for people who are at higher risk of getting very sick.

Cover your mouth and nose with a cloth face whenever in public

- You could spread COVID-19 to others even if you do not feel sick.
- Everyone should wear a cloth face cover when they have to go out in public, for example to the grocery store or to pick up other necessities.
- Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.
- The cloth face cover is meant to protect other people in case you are infected.
- Do NOT use a facemask meant for a healthcare worker.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

Cover coughs and sneezes

- If you are in a private setting and do not have on your cloth face covering, remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

Clean and disinfect

- Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them. Use detergent or soap and water prior to disinfection. Then, use a household disinfectant. Most common disinfectants will work.
