## FIFTH SUNDAY IN LENT

MARCH 21, 2021

# PARISH UPDATE

Happy Lent everyone!

It's great to see the number of Covid vaccinations going up and the number of Covid cases coming down. For this reason, we'll slowly, cautiously, and safely open for more activities. Our church office will be open for an additional hour in the morning, from 8 to 11 am and after Easter we're hoping to expand office hours to include evenings from 4 to 7 pm. I must say, I'm so very proud and must commend all of you on how well you've followed all the Covid safety protocols. I even had a parishioner from a nearby church say they've decided to make St. Angela's their new church home because of our commitment to Covid safety.

As you start to make plans for Palm Sunday and Easter Sunday, please recognize we have added an additional Palm Sunday, 12 noon Mass to our schedule. On Easter Sunday, we'll have our first Easter Sunrise Mass on the field at 6:30 am and an additional 12 noon Mass in the church has been added for that day as well.

It's time to kick off our PSA drive. Through the Pastoral Services Appeal we are supporting the mission of the Diocese of Orange as well as our own Parish goals. PSA provides an opportunity for us to join together as one Diocese of Orange church family in our support of many diverse ministries like; Catholic Education, Clergy Formation and Support, Outreach ministries to the poor and needy, and Parish and Diocesan Development. These ministries and services benefit our own parish as well as parishes and people all over Orange County. With funds from PSA we will be able to address some significant needs here at St. Angela Merici Church. This year we have chosen to focus on refurbishing/replacing our church pews. Now that we've replaced our lighting system we can now see how our pews and kneelers have fallen into disrepair. In the weeks ahead we will hear how we can respond to this call to carry on the work of Christ in our community. Please prayerfully consider how you will be able to support this important appeal.

**Current Sunday Mass schedule:** Saturday: 5:00pm Mass in the Church. Sunday: 7:45am Live stream Mass in the Church. 9:00am Mass on the field. 10:30am Spanish Mass on the field. 5:00pm Mass in the Church. (there is a limit of 200 people in attendance for Masses in the church). Please remember if bad weather (rain, wind etc.) prevents us from celebrating Sunday Mass on the field, then we'll move into the church with a slight time delay to make sure the church has been sanitized. You can also view our 7:45 am livestream Mass on line at <https://stangelabreachurch.org/> or drive into the church parking lot at 9:00 am or 10:30 am (Spanish) and listen to Mass on the FM dial at 106.9. At Communion time, approximately 10:00 am and 11:30 am (Spanish) come up and receive Communion at the covered lunch table area. At all times, please wear your mask, keep social distancing, and before receiving Communion, please sanitize your hands. **Week day Masses** are at 8 am and 6 pm and Sat. 8am. **Adoration** will be in the Church M-F from 8:30-9:30am, 5:00-6:00pm and Sat. 3:30-4:45pm. **Confessions** are on Saturday's in the plaza from 3:30 to 4:30pm.

I want to Thank everyone who participated in the Diocese program "Called for More". This survey will help more Catholics to grow in relationship with Jesus Christ and become more engaged in their parish! The results of the survey will soon be made available and will assist St Angela's in becoming an even more flourishing Parish.

Blessings always, Fr Dave

# SUNDAY REFLECTION

Lent is a very important and strong moment to examine our lives as children of God. It is a season to see if we live in accordance to His will, or if we are in tune with the immense love which He has for us. It is a time to review if we live according to what we believe and to admit whether we are living out what the Word of God our creator teaches us.

The responsorial psalm today very clearly and almost forcefully, make us grasp and feel the need to renew our minds, our hearts, and our feelings to aid us in living out our lives according to what God wants from us. We have repeated several times in the responsorial psalm: "create in me, O Lord, a pure heart". In this psalm there is a recognition of our frail humanity. Absolutely nothing in our humanity is a marked tendency to fall into that very thing which we know is wrong but we do it anyway. However, there is an awareness that our God is merciful, especially if we admit we are sinners; God will forgive us. God does not want the death of the sinner, but rather that he converts and live.

Yes, it is very true we are weak and inclined to sin from our very birth, as Psalm 50 reminds us repeatedly. Due to God's graciousness and love, he obtains both pardon and the very peace that was lost. To serve God is to know Him, to love Him, and to feel Him. Whoever does this, imitates Jesus who was sent by the Father. Jesus became a servant and he was, as the second reading tells us, "In spite of the fact that he was the son, he learned to obey him."

To obey God is to love God. Let us always be aware of that our love for God is manifests itself in our words. My brothers and sisters, may you and your family have a wonderful and blessed week.

Dn Ben

## ST. ANGELA MERICI OPERATION RICE BOWL

Cardboard rice bowl distribution begins today. It is a way of supporting the Lenten period of prayer, fasting and almsgiving. The simple bowl is a reminder of our care for each other and the less fortunate in the world. CRS Rice Bowl is the Lenten program of Catholic Relief Services (CRS). Through CRS Rice Bowl, faith communities in dioceses throughout the United States put their faith into action. Lenten alms donated through CRS Rice Bowl support the work of CRS in more than 100 different countries each year. Twenty-five percent of donations to CRS Rice Bowl stay in the local diocese, poverty alleviation efforts. This simple cardboard box is a tool for collecting Lenten alms -and comes with a Lenten calendar guiding families through the 40 days of Lent with activities, reflections, and stories.

More than 40 years ago, Catholics in the United States wanted to respond to famine in Africa. The help came in the form of a small cardboard box, marking the beginning of "Operation Rice Bowl". A tradition for millions of Catholics who employ the Lenten pillars of praying, fasting and almsgiving to change the lives of others while enriching their own. Operation Rice Bowl at St. Angela's is sponsored by the Knights of Columbus council and PALS. Look for distribution of cardboard bowls after Mass. Collection for Rice Bowls will be on April 11 following all Masses.

You can hear more stories of outreach, check Lenten recipes from around the world, and learn more about rice bowl at : <https://www.csricebowl.org>.

# A CLOSER LOOK AT ST. JOSEPH, HUSBAND OF MARY

I often think about St. Joseph — what he looked like, how his voice sounded. Was he a large, powerfully built man? Was he outgoing or more reserved? How did people feel when they were with him?

This much I believe is true: Joseph must have possessed a soul so beautiful that God chose him to be the foster father of Jesus and husband of Mary. Think about that for a moment. God, Creator of all things, looked at Joseph among all men and regarded him so highly, that God trusted him to be the provider and protector of the Holy Family.

What did God see when He looked at Joseph? I picture him to look like the statues and pictures we have in our churches, but I think that God saw past his physical appearance, to a man of prayer and humility who believed he could serve God best with his skills as a carpenter. I would imagine that God saw beyond the ordinary to a man with an extraordinary capacity for trust and faith. A man so skilled at listening, he heard the messages of angels and acted on them.

When told by an angel to take Mary and Jesus and leave Bethlehem immediately because of the danger, “Joseph rose and took the child and his mother by night and departed for Egypt” (Matthew 2:14). His obedience and total faith in God are remarkable, leaving whatever comfort and security the family had to travel to a distant and strange land.

Imagine Joseph speaking this urgent news to Mary. I think that in this latest upheaval of their lives, Mary remembered that Joseph was the man God had chosen to care for and protect her and Jesus. She must have felt safe and trusted that somehow they would be alright. Imagine them leaving most of their belongings behind, packing what they could in haste and setting out along unknown roads toward an unknown future. By Joseph’s obedience, we have a sense of how deeply he trusted the care and providence of God.

Though he knew that Jesus was the son of God, Joseph assumed the role of father, raising Jesus as his son in his culture and faith and passing on his trade as a carpenter. When he worked with the wooden timbers and boards, did Joseph know of the unimaginable death Jesus would suffer on the same wood that provided their livelihood?

Whenever our lives are disrupted or in turmoil we can turn to Joseph. He understands the pain, suffering, and dangers that we face because he experienced them in his own life. As St. Teresa of Avila has said, “Would that I could persuade all men to be devoted to this glorious St. Joseph, for I know by long experience what blessings he can obtain for us from God.”

I daily turn with confidence to St. Joseph for his guidance and protection. The Litany of St. Joseph is a prayer that lists the many titles given to this powerful saint, like “Watchful defender of Christ,” “Joseph most valiant,” “Model of workman,” “Pillar of families,” and “Protector of Holy Church.” I read the list and imagine how St. Joseph fulfilled each of these roles. One of my favorites is “Terror of Demons,” which St. Joseph must have been to protect the holy family during all of its travails. Whatever your need or intention may be, take it to St. Joseph and ask for his help. St. Joseph, Head of the Holy Family, Terror of Demons, pray for us.
