## REFLECTION FOR THE 15TH SUNDAY OF ORDINARY TIME

It's not uncommon to hear people complain that we Catholics often fail in communicating our faith. Fair enough. We can and should improve there. But it's interesting to notice that Jesus himself was implicitly accused by his disciples of a similar failure. This week in Matthew's gospel they are perplexed that he speaks to the crowds in ambiguous parables. The Lord's riddles leave many people more confused than before. He responds by pointing out that his parables have an intentional dual purpose: to hide (for some) and to reveal (for others) his Gospel: "Because knowledge of the mysteries of the kingdom of heaven has been granted to you, but to them it has not been granted" (Matthew 13:11). Is Jesus being unnecessarily difficult, obscurantist, or, worse, elitist?

No. We have to remember that all the treasures of wisdom and knowledge lie hidden in him (c.f., Col. 2:3). He is the word of God from heaven to be planted in the earth of our humanity to bear great fruit. However, like a lover delicately pursuing his beloved, we're dealing with a relationship, not new data. When we aren't willing to personally accept Jesus into our lives, the "info" of the Gospel will simply not make sense to us. It'll seem bizarre, esoteric, or like incoherent religious-speak. But when we are willing to accept Jesus into our lives, everything else starts to make sense. When others don't understand the Church or the Lord, let's be patient. Love is patient. Sometimes it has to hide before it is revealed.

## REFLEXIÓN PARA EL 15TH DOMINGO DEL TIEMPO ORDINARIO

Escuchar la Palabra de Dios, entenderla con la mente y llevarla al corazón para que enseguida dé fruto. Así de fácil es decirlo, pero, ponerla en práctica es como el proceso de la semilla que se siembra, se entierra, y poco a poco, con la luz del sol, brota cuando menos se espera. Cuidar es la clave para que haya fruto en abundancia. Dejar que la semilla penetre en el corazón es no dejar de luchar contra las tentaciones que a diario nos aquejan. El diablo siempre está en busca de quitarnos las cosas buenas que tenemos, tal como la bondad y las ganas de trabajar por la justicia y la paz. La vida cristiana no es fácil, no estamos aquí para encontrarlo todo fácil y a la medida de nuestros caprichos, sino que estamos para servir.

El Papa Francisco nos dice sobre este Evangelio que "La parábola del sembrador es un poco la madre de todas las parábolas, porque habla de la escucha de la Palabra. Nos recuerda que la Palabra de Dios es una semilla que en sí misma es fecunda y eficaz; y Dios la esparce por todos lados con generosidad, sin importar el desperdicio. ¡Así es el corazón de Dios! Cada uno de nosotros es un terreno sobre el que cae la semilla de la Palabra, ¡sin excluir a nadie! La palabra es dada a cada uno de nosotros" (07/12/2020). El reto para cada uno de nosotros es pedir una mente atenta y un corazón fértil para escuchar la Palabra de Dios y dar frutos abundantes. ¿Cuáles son tus frutos? ¿Cómo los esparces a los demás?

## DO YOU KNOW...

**The religious significance of a pretzel?**

The history of pretzels is a bit unexpected, but it has a deep-rooted religious origin.

It's origin dates back over 1,700 years when a monk in a secluded monastery began to give them to his students as a reward for learning their prayers. This monk handed out baked pieces of leftover bread twisted together to resemble crossed arms, which was the traditional prayer pose. He called them "pretiola", which is Latin for "little rewards". What's more, the three-holed pretiola, claimed the monk, represented the religious trinity of the Father, Son and Holy Spirit.

## ¿SABÍAS QUE...

**¿El significado religioso de un pretzel?**

La historia de los pretzels es un poco inesperada, pero tiene un origen religioso muy arraigado.

Su origen se remonta a más de 1.700 años cuando un monje en un monasterio aislado comenzó para dárselos a sus alumnos como recompensa por haber aprendido sus oraciones. este monje repartió pedazos horneados de pan sobrante retorcidos para que pareciera que estaban cruzados. brazos, que era la postura de oración tradicional. Los llamó "pretiola", que es Latín para "pequeñas recompensas". Además, la pretiola de tres agujeros, afirmó el monje, representaba la trinidad religiosa del Padre, Hijo y Espíritu Santo.

Amie Garcia began her career working at a student-run youth shelter in college and after graduating, knowing that she wanted to pursue a career in international service and development, Amie began serving with the Peace Corps in the Dominican Republic in 2019. After returning, she began working for Catholic Charities of Los Angeles at the Good Shepherd Center for Homeless Women and Children as a Case Manager. As part of the Mission Doctors Association team, Amie is now working in the area of recruitment, training, and support for both long and short-term MDA medical professionals, and their families, serving in Africa and Latin America.

Dr. Malvina Torbay is originally from Venezuela where she practiced as a physician for many years. Joining her family in California, became involved in the work of Mission Doctors Association and has represented the organization across the country. Her deep faith and commitment to the poor are reflected in her connection with this mission and her special devotion to St. Therese of the Child Jesus, who is the patroness of mission.

Amie and Dr. Torbay will be speaking at all the Masses at St. Angela Merici Parish on **July 15-July 16** on behalf of Mission Doctors Association as part of the Diocese of Orange Missionary Cooperative Plan.

**Since 1959, Mission Doctors Association has made it possible for Catholic Doctors, Dentists, Physician Assistants, and Nurse Practitioners to share their gifts and live their faith at mission hospitals in Africa, Asia, Latin America, and the Pacific. These medical professionals provide both direct patient care and training for local healthcare professionals, always with the goal of working themselves out of a job.**

**A Mission of Healing and Partnership of Hope, Mission Doctors invite everyone to keep all the Medical Professionals and their patients in our prayers.
